

## **THE REGISTRY COLLECTION ANNOUNCES ALLIANCE WITH LUFTHANSA PRIVATE JET**

**PARSIPPANY, N.J.** (September 1, 2008)- The Registry Collection, the world's largest luxury exchange program and one of the Wyndham Worldwide family of brands (NYSE: WYN), today announced a new alliance with Lufthansa Private Jet to offer members of The Registry Collection program a valuable suite of VIP ground transportation services and a complimentary two-day car rental.

Members of The Registry Collection who travel to Europe on Lufthansa commercial air service and book a private jet flight between qualifying European cities will receive car service from The Registry Collection member's residence to the departure airport. Upon arrival at the Lufthansa airport hub in Europe, the member and their traveling party will be met by a Lufthansa Private Jet representative who will escort them to a private VIP lounge where they will clear customs and immigration and be escorted to their private jet for departure on their intra-European Union flight. Upon arrival, the party will be transported by car service to their final destination. At any point during their stay they may contact Lufthansa to make arrangements for reserving a complimentary two-day car rental.

Geoff Ballotti, president and CEO of Group RCI, parent company of The Registry Collection stated, "We're very pleased to announce our new alliance with Lufthansa Private Jet. Not only will our members have access to prestigious Lufthansa jet service between European cities but they'll also be treated to a host of valuable ground transportation services as well. This shows our commitment to providing new services that we hope will enhance our members' travel experience."

### **About Lufthansa Private Jet**

In March 2005, Lufthansa became the first international carrier to offer a private jet service in the premium segment. Point-to-point flights between as many as 1,000 destinations within Europe and the Russian Federation plus individual, seamless connections to Lufthansa's international route network complement the extensive scheduled services operated by Lufthansa and Swiss. Flights are offered at a fixed, all-inclusive price. Members of the Lufthansa Miles & More frequent flyer program are awarded 10,000 miles per flight leg.

Catering and in-flight entertainment is tailored to individual requirements, and passengers enjoy the use of the airports' First-Class facilities provided by Lufthansa, SWISS or Lufthansa partner airlines. The Lufthansa Private Jet service can be booked on a dedicated hotline at 1-888-261-0814 by customers in the U.S. and Canada. For additional information, please visit [www.lufthansa-private-jet.com](http://www.lufthansa-private-jet.com).

**About The Registry Collection®**

The Registry Collection, is the world's largest luxury exchange program, providing members with access to an elite global network of the finest vacation properties at some of the world's premier destinations, as well as personal concierge services that are available 24 hours a day at certain locations.
